

N075F

Clamp mount

This mount is made for side mast or vertical rail mounting of the KUM4, KUM6 and KUM7 antenna families.

N075F is a heavy duty stainless steel mount thus withstanding the long term rough weather conditions at sea.

It measures $\varnothing 30$ - $\varnothing 50$ mm I rail diameter and is 340mm high.

Mechanical Specification

Material	Stainless steel
Height (mm/ft)	340/1.12
Weight (kg/lbs)	0.96/2.22
Mounting method	Clamp mount
Rail diameter (mm)	$\varnothing 30$ - $\varnothing 50$

This part fits

This product fits all AC Antennas KUM4, KUM6 and KUM7 antenna families.
